

BLADES 9513

4-PACK OF 9501

The blades are from spring 2013 made of a new stronger and stiffer material colored grey. That's why the bladekit has changed p/n to 9512. The new blades are compatible with older propellers, but should not be mixed with the older black one's other than in emergency cases.

- Package contains four singel blades model nr. 9501
- Diameter 14,5"
- Pitch range 14-22"

Fits to Propulse propeller:

- 9901
- 9902
- 9903
- 9904
